

French and Indian War

Who was it between? (#1)

French

&

Vs.

British

Native
Americans

Why were the French even in North America?! (# 2)

- Looking for **Northwest Passage**(water way to Pacific Ocean)
- Stayed in North America due to economics: **Fur** trade with natives

How did it start? (# 4)

- 1750s British claimed **Ohio River Valley**
- French built forts along the **Great Lakes**
- What do you predict happened as a result of these land claims?

French and the Native Americans

- Natives had better relations with the French
- Why?
- Most tribes sided with the French

Who won? (#4)

- British forces captured **Quebec**
- Victory gave British control of **St. Lawrence River**
- British won & kicked the French out of most of North America

Outcome of the War (# 5)

- France lost all lands **east of the Mississippi River**
- Expensive war to fight for the British-went into **debt**
- British didn't want to fight anymore wars
 - They ordered the **Proclamation of 1763**

Proclamation Line of 1763 (#6)

- No colonists can live or reside west of the **Appalachian Mountains**
- Why would this anger the colonists?
